CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

IQAC has an intrinsic role to play in the implementation of curricular, co-curricular and Extra-curricular activities of all the Departments. IQAC confirms that bio metric attendance, Internal and External Examination, Programs and Events mentioned in academic Calendar are conducted properly. In the process of appointment, qualified teaching faculties are recruited as per the rules and regulations of UGC and Govt. Maharashtra. Also workload of subject is distributed after carefully consideration of their qualification, subject specialization, experience and performance etc. Dr. Ghali college is affiliated to Shivaji University Kolhapur and Our college follows & implement all the rules and regulation related to structured curriculum of university.

The curriculum is designed and developed by board of studies of Shivaji University, Kolhapur. Some of the faculties are also member of board of studies and academic council of Shivaji University Kolhapur. Before implementing such new syllabus, University receives suggestions and feedback from colleges, Teachers, Students and Parents. To implement the designed syllabus, Planning is done before starting Academic Year. The planning and documentation is monitored by Principal as per Planned strategy of IQAC. Principal conducts staff meeting at the beginning and at the end of each Semester. The Academic calendar was chalked out in the meeting of IQAC and put in front of Staff in Principal meeting. The academic calendar helps the institution to ensure effective curriculum delivery and the college visualizes the way the curriculum has to be carried out. On the basis of this academic Calendar, Each department prepares its own Annual Planning which includes, Budget, class test, curriculum and

extra curriculum activities. Time table of different courses including Individual faculty and department are prepared so that teaching and learning resources are utilized maximum. Every faculty member has to maintain Academic dairy which includes Individual Time-Table, Annual Teaching Plan, Text-books and Reference books, class and subject-wise teaching/practical plan, lectures or teaching duties in excess of U.G.C. Norms, examination related work, co-curricular, extension and professional development related activities, research and academic contributions and awards/certificates won by teachers are maintained. For co-curricular and Extra Curricular activities various committees are formed and they conduct their activities under the guidance of principal. Besides this as per the suggestions of previous NAAC Peer Team, the College has introduced four certificate courses like Tally with GST, Journalism, Fashion designing, Mehandi etc. with the help of these courses students are ready for industry. For implementation of above curriculum staffs members are constantly encouraged to attend Refresher courses, Faculty Development program, organizing and attending Workshops and Seminars to update their knowledge. To ensure Library as a learning resource started many student oriented facilities like, book bank system, set of Question papers, Digital Notes (soft Copy) and Internet facilities. Timely Feedback is obtained from the students, parents, Ex-students and staff members. Suggestions received are discussed and followed if necessary. Through these methods of planning & implementation, effective delivery is ensured and documented.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Major evaluation reforms of Shivaji University, Kolhapur successfully adopted by the college are: 1. Secured Remote Paper Delivery Mode System (SRPD) 2 . Online Marks Entry 3. Choice Based Credit System (CBCS) for 1st year UG students and PG students from June 2018. Institution /College Reforms as per consultation with the IQAC: 1. The institution has formed separate 'Examination Committee' to monitor the internal evaluation practiced in the college. 2. The examination committee worked towards making the internal examination process more transparent and objective. 3. The institution in its prospectus mentions the list of activities which are going to be held in the academic year and it strictly adheres the academic calendar for the conduct of continuous internal evaluation and the students are also intimated by it through notices circulated in the classroom. 4. The committee guided the academic departments to conduct both formative as well as summative evaluation tests so that the fulfilment of objectives of the topics and learning levels of students checked periodically.

5. Formative assessment is done by the concerned subject teacher at the time of formation of the concept / topic. Apart from traditional methods such as Home assignments and tutorials, new methods like seminar presentation, open book tests, surprise tests, multiple choice question series, quiz, group discussion, activity based learning, field work, industrial visit, group wise research project, reference book review, wall paper display were introduced at departmental level. This can also be done by student's participation in inter institutional competition. The reform has resulted in increasing the level of acquisition of subject knowledge. 6. After the assessment of home assignment, the same will be shown to the students and carried out discussion about the way it should be presented. After MCQ examination, the marks are shown to students giving correct answer of the question. Projects are evaluated on the basis of content and methodology and shown to students with remark. After evaluation of the unit test, the answer sheet with remark is given to students for further reference. 7. With the intimation of Shivaji University, Kolhapur, institution carries summative assessment evaluation system at the end of the semester i.e. when the course is get summarized. Main objective of the summative assessment is to evaluate student learning at regular interval by conducting semester end examination and year end practical examination. 8. External Senior Supervisor and Internal Senior Supervisor are appointed to ensure that examination reforms are properly implemented. 9. For First Year B.A., B.Com, B.Sc., B.B.A. examinations, Central Assessment Programme is arranged with CCTV enabled evaluation hall. 10. For Third year UG students (B.A./B.Com./ B.Sc./ B.B.A) and First Second year PG students (M.A./M.Com.) there are internal 20 marks. Internal examinations are carried out in various ways by the respective subject teachers like seminar presentation, multiple choice question series, power point presentation, Home Assignments etc. 11. For first year UG students, physical education examination for 10 marks is carried out through various ways like 100m, 200 m running, ball throw, long jump Pushup.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The college plans and organizes the teaching, learning and evaluation schedules well in advance on the basis of academic calendar prepared by Examination Committee of the college. The institution adheres the academic calendar for the conduct of internal examination according to the calendar provided by Shivaji University, Kolhapur. Academic Calendar: The preparation of academic calendar for the next academic year begins in April, i.e., before the end of every academic year. Every department submits detailed academic and activity calendar to the IQAC. Considering the academic calendar provided by the university, a comprehensive academic calendar is prepared by the committee of department heads and the principal with the help of IQAC. The college annually publishes 'Academic Calendar' containing the relevant information regarding the teachinglearning schedule (working days), various events to be organized, holidays, dates of internal examination, etc. The academic calendar is prepared so that teachers and students should know all the activities regarding teachinglearning process and it is also published on the website of the college, and also displayed in each department of the college, in the faculty room and the Principal's cabin. For Third year UG students and first second year PG students, there are internal 20 marks for B.A./B.Com./ B.Sc./ B.B.A./M.A./M.Com. Internal examinations are carried out in various ways by the respective subject teachers like seminar presentation, multiple choice question series, power point presentation etc. Marks obtained in CIE are communicated to the university well in advance through through web portal of Shivaji University, Kolhapur.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The college has a visionary management constantly looking for ways and means of incorporating quality in education. It gives the road map and general guidelines to create conducive learning environment and fulfill the vision and mission of the institution. The College Development Committee (CDC) formerly known as Local Management Committee (LMC), is instrumental in planning, monitoring and evaluating the administration and academic processes. The staff members become part of the planning and decision making process of CDC through representative members of each faculty. Major decisions like Sanction of Budget, Addition of New Courses, Appointment of Staff and implementation and accountability of the teaching learning process are taken by CDC. The Principal implements the policy decisions taken by the CDC. The major policy decisions are routed through the IQAC, which plans the execution of curricular, curricular and extracurricular programs. Many of the processes in Academics and administration that were centralized earlier are being selectively decentralized. The management has empowered the IQAC to take decisions related to curricular, curricular and extracurricular activities. This has resulted in the CDC, IQAC, Principal, Heads of Departments and Faculty taking autonomous decisions at their level for accomplishing the set goals. This decentralization has resulted in increasing the overall quality and effectiveness of the system and at the same time empowering and strengthening the capacities of the various branches of administration. Organization of Conferences and Seminars at State, National and International levels gives an opportunity for the delegation and devolution of responsibilities and decision making which is the true motive and essence of Decentralization. A) Decentralization Institute follows decentralization of authorities in different level. Governing council / Board of management determine policy for better function of institute according to visions. The policy is designed by board of management and statutory committees. The academic and administrative strategy developed by statutory committees i.e. College Development committee, IQAC etc. As per policy and strategy designed, different working committees are made by principal and each faculty involve in these working committees. In 201819 academic year 28 different working committees are formed. B) Participative Management 1. Principal Level: Principal is directly involves in process of Policy designed, strategy and taking follow up all working committees. Principal is president of College development committee, Planning committee, standing committee etc. 2. Faculty level: Faculties are assigned different working committees work like Admission Committee, TimeTable Committee, Examination Committee, Lead College Program, Anti Ragging Discipline, Student Welfare Committee, College Magazine Committee, Research Committee, Cultural Committee, N.S.S. 7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

E Documentation and ECommunication: • The library Attendant of our college has scan all question papers of B.A., B.Com, B.Sc, B.B.A., M.A. and M.Com syllabus in their personal computer. Google classroom effectively used by B.B.A. Department. • All the students which have provides there emails id to the library receives all the question papers on their emails which reduced the Xerox charges .Thus reduced the pollution caused by paper as well as electricity for printing or Xeroxing (Screen shot enclosed). Ewaste Management • Electronic goods are put to optimum use the minor repairs are set right by the staff and the Laboratory assistants and the major repairs, by the professional technicians, and are reused. • The parts of the used computers are used by the instructor in the practical sessions of the 'B.Sc. First year Computer science department. Finally they are exchanged with the local dealers. UPS Batteries are recharged / repaired / exchanged by the suppliers. • College has Buyback policy (Collaboration) with local dealer Step up Computers, Gadhinglaj. Efforts for Carbon Neutrality. • The administrative office is fully computerized. All official notices are sent through email and sms to the staff, thereby helping to save on paper and hence trees. • A 'No Vehicle Day' is observed on each Wednesday which adds to the little steps towards neutralizing the carbon load. Rain WaterHarvesting System • Arresting the water flow down the hillock in the rainy season is a great challenge to the management. One rain water tanks of capacity 5000 litre are constructed for harvesting rain water. • This pure rain water is use in Chemistry as well as Microbiology department as distilled water. These efforts reduce electricity and meet the water requirements partially. Plantation • The green ambience of the college is largely due to tree plantation. There are about 600 Plants of various kinds in the campus (Medicinal and Aromatic). They help to maintain the ecosystem. • Planting of saplings by the chief guests of various functions Indicate the ecoconsciousness inherent in the college practices. Planting a large number of trees in the adopted villages is one of the regular features of the NSS Special Camps. Also all faculty members are regularly planted a tree in the Month of July every year Energy Conservation • Minimal consumption of energy is the saving factor of energy conservation in the campus. • Energy efficient bulbs and tube lights have been installed in the campus to save electricity. • The use of LED bulbs instead of tungsten lamps. • The notices near the switch boards prevent wastage of energy. Prevention of sound pollution • It is mandatory for students and visitors to park the vehicles at the college entrance in order to create a proper ambience for an educational institution.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

1. Best Practice by college 1) Title of the Practice: Supporting the students, by special coaching for P.G. entrance examination 2) Objectives of the Practice: Following are the objectives fixed to implement this practice: i) To implant competitive attitude in the students ii) To motivate the students for higher studies and research 3) The Context: It is a routine practice now a day, everywhere to select the candidates. Keeping this in mind, our department has decided to guide the students for M.Sc. entrance examination by conducting special coaching to B.A. III/B.COM III, B.B.A. III B.Sc.III students. The results are very promising and hence we are adhered to the practice to orient the students to excel in various subjects. 4) The Practice: The students seeking admission to P.G. have to face the entrance examination conducted by the University. Nature of this examination is of MCQ (Multiple Choice Question) type that covers the syllabi of Part I, II III of B.A., B.COM and B.Sc. Hence our college has started coaching the aspirants for the said examination from the year 201819 without charging any fees and the response from the students is over whelming. This practice is also aimed at attracting the students to the department. This special coaching is given after conclusion of the theory examination of final year students in the month of April every year. 5) Evidence for success: Year by year the response of the students for the coaching for entrance examination is increasing. A total of 93 students were admitted to Post Graduate programs.

2. Best Practice Title of the Practice Farmer Awareness Programme regarding Organic Farming Objectives of Practice 1) To aware farmers for using Bio fertilizers. 2) To inculcate and guide to use Bio fertilizers rather than chemical fertilizers 3) To motivate for practising organic farming. The Context Keeping in mind for above objectives, our department students made survey of the field to know the percentage of chemical and Bio fertilizers used by farmers for agriculture, based on that survey we organized workshop for awareness and guidance for practicing organic farming. Also the Bio fertilizers (EcoNPK) are provided in this programme. The Practice Nowadays there is abundant and consistent use of chemical fertilizers, which is causing adverse effect on crops, human beings and animals. Keeping this in mind our department had made survey of agricultural lands from total three Taluka at Gadhinglaj, Chandgad and Ajara and found that 98 of the farmers are using chemical fertilizers in their field. To create awareness for practicing organic farming we had organized and Workshop, where Guest lectures and guidance of organic farming was done. Also our students had done the EcoNPK Bio fertilizers in solid and liquid formulation which was provided to each farmer. Evidence We had good response of the farmers during awareness program.
