

Vidya Prasarak Mandal's
DR. GHALI COLLEGE, GADHINGLAJ

CODE OF ETHICS FOR RESEARCH

To check malpractice and plagiarism in Research, the institution has a stated code of ethics.

In the higher education system research is the most important thing. Institution encourages to all faculty members and students to undertake research activities. It creates the awareness among the students and faculties. Research projects, research papers, presentations in seminars, conferences and students projects. College wants to develop healthy research culture. Ethics is the most important components in research, so institution has stated code of ethics for research.

The institutional code of ethics for research is the following:

- 1) Institution required high academic quality research.
- 2) Researcher should support and adopt high standards for teaching and learning process and also should promote academic integrity among all members of the community.
- 3) Researchers have responsibility to ensure their research that will be of benefit to society.
- 4) Institution assists in ensuring the researchers' freedom to choice of topic and methodology, implementation of research and publication.
- 5) Researcher should work for the quest in truth, knowledge and understanding by requiring intellectual and personal honesty in research.
- 6) The researcher should ensure that he has written entirely original works, and if the researcher has used the work of others that this has been appropriately cited or quoted.
- 7) The researcher should observe legal norms related to publication, copyright, intellectual property rights (IPR) and other plagiarism related matter. Institution wants that the research should be based a legal ground.

Apart from the above, institute identifies malpractices and plagiarism in research. All submitted research papers are reviewed by college research committee. After that in first stage it has been checked by free online plagiarism checker websites like

<https://plagiarismsoftware.org>

<https://smallseotools.com/plagiarism-checker>

www.plagiarizechecker.com

<https://www.quetext.com>

Our institution has signed MoU with Rajarambapu Institute of Technology, Sakharale (Islampur) to check plagiarism with their legal software.
