Mechanism for communication of POs, PSOs and COs.

It is essential to communicate the teachers and students about POs, PSOs and COs well in advance at the time of admission and thereafter also. For this purpose, the institution goes through various mechanisms. Teachers are informed about POs, PSOs and Cos through college website, social media, and faculty file and faculty notice board. They can also get updated through workshops and seminars conducted by the university.

Students are provided with prospectus in which all the POs, PSOs and Cos are stated very clearly. At the same time the college website also remains updated with various syllabi with their POs, PSOs and Cos. At the time of admission a counseling is made for students and various information regarding POs, PSOs and COs is displayed on students notice board.
