Vision

The Motto of our institution is विद्ये विना न जागृति means without education there is no awareness in the society. The Vision of our institution is to educate and create awareness among young generation. With this motto we have formed following Missions, Goals.

Mission

- To propagate Higher education in rural and hilly areas.
- To give quality education to develop students overall personality.
- To inculcate value system among the students through proper guidance.
- To higher global competencies among the students.
- To promote the use of modern computer based ICT technology.
- To collaborate with alumni, stakeholders and parents for promotion and sustenance of higher education.

Goals and objectives

- To conduct various activities for raising awareness among the students regarding the social, political, economic and environmental realities fo contemporary India.
- To create scientific temper among the students.
- To provide skill and need based education.
- To propagate the higher education for women to create social justice.
- To provide career oriented and job based education and to shape the students for global Competitiveness.
- To help needy and poor students to acquire higher education.
