1. ABOUT COLLEGE

Dr. Ghali College was established in 1984 with view to impart higher education to students belonging to educationally, weaker sections and depressed classes in the rural as well as hilly region of Gadhinglaj. The college celebrated its silver Jubilee year during 2008-2009. The college has maintained the standard of education in both conventional and modern courses. This is multi-faculty college with post-graduate departments. The college offers courses like- B.A., B.Com., B.Sc., B.B.A., M.A., M.Com., M.Sc. & M. Phil. apart from these, we have started career oriented & Certificate courses like Journalism, Tax consultancy and English Communication, Stock Market, NMR Spectra Interpretation. Recently we have started B.Com.I.T. Entire special branch, M.Sc. in Analytical Chemistry & General Microbiology. The objective of college is not to produce post-graduates but to develop such skills in them to face the challenges of life and to contribute to the welfare of society and to mankind.

2. About Programmes / Duration / Eligibility-

M. A.

Master of Arts is a postgraduate degree offered to students who have completed graduation in any specialization from a recognized university and must have scored a valid percentage of marks. There are various specializations under master of arts and students can choose one to make a career out of it. Master of Arts course duration is 2 years. Students who are interested in Arts & Humanities subjects can do their MA in the specialization of their choice. Master of Arts offers a great study environment where students get an opportunity to explore their MA syllabus consisting of various MA subjects in great depth & are encouraged to think critically & independently. After Completion of M.A. Students are eligible to apply for Ph.D.

M. Com.

Master of Commerce (M.Com.) is a postgraduate degree, which deals with commerce, accounting, management, and economics. The two-year degree course opens career opportunities in the corporate and finance sectors. It offers specialization in advanced accounting. After completing a two-year course, students get an academic degree from the university which is designated as a Master of Commerce. The course is considered as an entry point for professions like chartered accountancy, company secretary, cost and work accountancy, and insurance and banking services. One can also pursue higher studies and become the lecturer and assistant professor at universities.

M.Sc.

Master of Science, popularly known as M. Sc. is the 2-year postgraduate degree course that is the next natural step after doing B.Sc. (Bachelor of Science). M.Sc. is more specialised, research-based degree courses aimed at letting students choose a career path. A Master of Science degree provides scientific as well as professional entry-level competency to students. The course offers advanced theoretical as well as practical knowledge to students in their chosen specialisation. After an M.Sc. degree, students can either continue with their academic career by enrolling themselves for Ph.D. or by opting for M.Sc. Jobs such as Project assistance, Junior Research Fellow, Lab Manager, Patent Associate, Regulatory affairs specialist. Software Developer AI Engineer, Research Assistant, Free Lancer etc.

3. OBJECTIVES
