15. Multidisciplinary / interdisciplinary

In our Institution, interdisciplinary approach is maintained in the curriculum, teaching learning and research activities in this institution. Curriculum Within the curriculum, interdisciplinary approach is ensured in all programmes. To promote interdisciplinary research in Science, humanities, social sciences the research laboratories are established in the institution through which integrated research and publication in various subjects have been facilitated in the institution.

16.Academic bank of credits (ABC):

Dr. Ghali College is affiliated with Shivaji University, Kolhapur, which is connected to the National Academic Depository, a government initiative designed to provide an online repository for all academic awards under the Digital India Programme. Since March 2020, the innovative Academic Bank of Credit (ABC) system has been available to both students and teachers. The college adheres to the rules and regulations set by the affiliated university. The National Academic Bank of Credits (ABC) portal has now been integrated into the nad.digitallocker.gov.in platform. The college follows a choice-based credit system for all its programs, and the university is currently in the process of passing a resolution related to ABC within the Academic Council. Dr. Ghali College registered on the ABC portal as soon as the resolution was approved by the university's higher academic bodies.

17.Skill development:

The institution organizes a variety of programs throughout the year to help develop essential skills among learners, such as life skills for enriched social living and enhanced civic consciousness. The Skill Development Committee regularly arranges training sessions

Page 5/66 15-01-2025 01:55:30

aimed at fostering creativity, innovation, critical thinking, and higher-order cognitive abilities, as well as problem-solving, communication, teamwork, planning and organizing, negotiation, lifelong learning, commercial awareness, and adaptability. These initiatives are aligned with an updated curriculum, which is periodically revised to meet the standards of the host university. Our institution consistently adheres to the guidelines set by the university. Students are encouraged to engage in extracurricular activities and organize events both on and off-campus. These experiences help them cultivate various personal qualities, including managerial and leadership skills, planning and entrepreneurial abilities, and interpersonal skills.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The institution has made conscious efforts to integrate Indian traditions, culture, and languages into the process of imparting knowledge and skills. In addition to English, Hindi and Marathi are also used as mediums of instruction. Various activities, including cultural exchanges, seminars, and field trips, are organized to promote Indian knowledge and heritage among students. The institution has a Yoga center that offers various activities throughout the year to promote physical and mental well-being. To encourage the use of the national language, Hindi Day is celebrated annually, with cultural and academic programs dedicated to promoting regional languages such as Marathi. Events like quiz competitions, elocution contests, essay writing, and story writing are also held to engage students. Students are trained in literary and cultural activities conducted in Indian languages like Hindi and Marathi, both at the institutional and university levels. Furthermore, our library boasts a rich collection of books that reflect India's vast knowledge and cultural heritage.

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

The Internal Quality Assurance Cell (IQAC) ensures that the institution's educational objectives meet recognized quality standards. The Outcome-Based Education (OBE) system focuses on assessing what students are able to achieve, with learning outcomes being a central component. This model is built around defining specific parameters known as Graduate Attributes (Program Outcomes or POs), Program-Specific Outcomes (PSOs), and Course Outcomes (COs). The institution's curriculum and teaching-learning processes are designed to align with these outcomes, fostering consistent and effective student development. These outcomes are made available on the institution's website for the benefit of all prospective

Page 6/66 15-01-2025 01:55:30

students. Program Outcomes (POs) and Program-Specific Outcomes (PSOs) are communicated to learners during the Student Induction Program. Course Outcomes (COs) are shared with students by their respective teachers at the start of each course. The achievement of these outcomes is assessed through continuous evaluation, internal and external examinations, seminars, projects, and student participation in various co-curricular activities. The extent to which Program Outcomes are achieved is reflected in students' progress toward higher studies and placements. The institution monitors the level of achievement of these outcomes through both direct and indirect methods at various levels, including the college council, IQAC, and academic departments.

20.Distance education/online education:

To support students, the institution provides a wide range of eresources, including recorded lectures, PowerPoint presentations, ebooks, e-journals, and online notes. Online lectures are conducted via platforms such as Zoom and Google Meet. Additionally, library resources are accessible through the institution's website, and a knowledge bank has been created and made available online. The Yashwantrao Chavan Maharashtra Open University (YCMOU) Study Centre operates within our college as a prominent branch in the Kolhapur district of Maharashtra. The Study Centre offers graduate and postgraduate distance education, catering to the needs of the community. Located on the college premises, the Centre has consistently received praise for its performance. The Study Centre enrolls students for courses such as B.A. and B.Com. The introduction of blended learning at the institution has been an ongoing process, contributing significantly to the evolution of the educational approach. However, some challenges, including limited resources, inexperience, and a small group of dedicated educators, led to frustrations during the implementation of the blended learning model. The holistic integration of blended learning has had noticeable effects across various areas. It has sparked discussions about teaching methods and changed perceptions of how students engage with the learning process. These outcomes have led to an increased focus on training courses for didactics and teaching methods, as well as the expansion of education in an e-learning environment.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The Institute is situated in a semi-urban area. The process of admission is transparent and on merit basis. In each class, heterogeneous groups of students are admitted. As early as possible, we identify slow and advanced learners by conducting the first internal test.

Slow and Advanced learners are also identified through:

- Academic history/Parent feedback
- Performance in internal test
- Performance in assignments
- Online Quiz
- Counselling Orientation Programme
- Involvement in academic and curricular activities
- Academic reports
- Faculty feedback
- Classroom/Lab involvement

The institution responds to the needs of these Advanced learners through the following manners:

Motivation

- Extended library facilities
- Encouraged to participate in seminars, assignment, workshop
- Participation in research competitions
- Scholarships/awards and rewards
- Motivated for various competitive exams.
- The numerous intellectual and cultural programmes within and outside the campus provide exposure to develop their innate talents in organizing and it also serves as a platform for interaction and experiential learning

Remedial Measures were taken for Slow Learners:

- Special Coaching/attention
- Remedial Classes
- Simplified learning material
- Personal counselling
- Bridge courses for lateral entry students

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The faculty prioritizes student-cantered methods to empower students to realize their potential. These methods include experiential learning, participative learning, problem-solving approaches, and the use of ICT tools.

Experiential Learning:

Faculty promotes hands-on learning and reflection through activities such as laboratory demonstrations, fieldwork, internships, training programs, and guidance sessions. Students benefit from soft skill courses, life skill programs, and value-added certifications.

Activities include book publication/reviews, preparation of posters, PPTs, study tours, industrial visits, exhibitions, water testing, food festivals, and hands-on training. Guest lectures and events like MARKETO2K23 further enrich the learning experience.

Participative Learning:

Participative methods help students achieve objectives through events like online quizzes, group discussions, seminars, workshops, poetry recitation, storytelling, film-making, and debates. Collaborative activities under MoUs, research initiatives, cultural competitions, and street plays are also conducted. Celebrations of significant days and health awareness camps foster engagement. NSS/NCC camps encourage teamwork and community service.

Problem-Solving Methodology:

Students receive counseling, mentoring, and additional guidance.
Activities include surveys, quizzes, case studies, and participation in seminars, conferences, and social awareness programs.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The college is committed to enhancing the teaching-learning process by integrating effective ICT tools. Various platforms, including PPTs, WhatsApp, YouTube, Google Meet, Zoom, Google Forms, Google Classroom, and Kahoot, are extensively used to facilitate interactive and engaging learning experiences. During the COVID-19 pandemic, the institution successfully transitioned to digital online learning to ensure uninterrupted education.

The college infrastructure supports ICT-based learning with five smart classrooms, 30 ICT-enabled classrooms, and six LCD projectors.

Additionally, 17 laboratories, a dedicated language lab, five computer labs, a CFC centre, a commerce lab and an audio-video recording room enrich practical learning. A robust network infrastructure connects 196 computers to the internet via LAN, supplemented by six routers providing 300 MBPS Wi-Fi connectivity.

Library resources include a blog, the N-LIST facility of INFLIBNET, e-books, and e-journals to support academic growth. Specialized software and tools like ChemSketch, ChemDraw, Double Beam Spectrophotometer 2202, and Systronics spectrophotometers enhance technical learning.

To further strengthen the integration of ICT in education, the institute organized a one-week faculty development program on the "Use of ICT in Teaching-Learning," equipping educators with the skills to maximize technology's potential in pedagogy.

2.5 - Evaluation Process and Reforms

- 2.5.1 Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.
- Dr. Ghali College has transparent and robust mechanism for the conduct of Continuous Internal Evaluation (CIE) with a dedicated

Page 19/66 15-01-2025 01:55:31

Examination and Examination Grievance Redressal Committee which adheres and strictly follows the schedule of internal exams planned in college academic calendar. Teachers ensure that the students are aware of the Internal Assessment Evaluation Criteria. It is discussed with them in detail to enhance transparency and rigor with a view to focus on individual and original work. External assessment is a summative assessment by the affiliating university to evaluate the learning level of students.

Efficient Mechanism of CIE

The departments communicate the syllabus and evaluation pattern to the students and also inform online/offline conduct platform. The examination section of the college sees to it that the internal marks submitted to it are entered on university web portal and submitted to university examination section in hard copy.

Transparency in the system

Formative assessment is done by the concerned subject teacher at the time of formation of the concept/topic which was mentioned in the academic diary of the respective faculty. Apart from traditional methods such as Home assignments and tutorials, new methods like seminar presentation, open book tests, surprise tests, multiple choice question series, quiz, group discussion, activity based learning, field work, industrial visit, group wise research project, wall paper display were introduced at departmental level. This can also be done by student's participation in inter-institutional competition. The reform has resulted in increasing the level of acquisition of subject knowledge.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

Dr. Ghali College has transparent and robust mechanism for the conduct of Continuous Internal Evaluation (CIE) with a dedicated Examination and Examination Grievance Redressal Committee which adheres and strictly follows the schedule of internal exams planned in college academic calendar. Effective Grievance Redressal System

Page 20/66 15-01-2025 01:55:31

Committee monitors smooth functioning of examination and to solve grievance related to examination. Formative evaluation is done through Continuous Internal Evaluation (CIE) process while summative evaluation is done at the end of each semester through Semester End Examination (SEE). All class teachers and subject teachers play vital role to resolve the grievances of the students. The examination cell works in coordination with all teachers and office administration. Grievances related to university examinations are communicated to the office of the controller of the examination, Shivaji University, Kolhapur via mail and post. Even though, the number of grievances are less in assessment and examination, grievances are inevitable and these dealt with utmost seriously. In case of grievances, if any, against the evaluation at the college level CIE and assessment, the concerned teacher, the examination committee and the Principal of the college deal with such cases. Satisfactory solutions are provided to the grievances of students. During departmental CIE, the Heads of departments along with faculty members monitor the CIE process and ensure problem-free process. If there are problems, they are resolved immediately.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The vision and mission of the institute align with the outcome-based education (OBE) system objectives as stipulated by the UGC. These are prominently displayed on the college campus and website and are frequently emphasized by the principal and faculty during programs. The college, affiliated with Shivaji University, Kolhapur, follows university-prescribed curricula, which include specified Program Outcomes (POS), Program Specific Outcomes (PSOS), and Course Outcomes (COS). These outcomes are prominently displayed on the college website and departmental notice boards.

Offering 20 undergraduate and 9 postgraduate programs, the college adheres to UGC guidelines on graduate attributes, focusing on educational excellence, communication skills, leadership, and global citizenship. Teachers discuss course outcomes with students at the beginning of each semester to ensure clarity. Additionally,

multidisciplinary, skill-oriented, and value-based certificate courses have been introduced, with their outcomes designed by subject experts and displayed for transparency.

Outcomes are communicated through handbooks, digital media, notice boards, and counselling sessions. Admissions committees also brief students about program and course outcomes. To achieve learning outcomes, the college organizes various curricular, co-curricular, and extracurricular activities, including NSS initiatives. This comprehensive approach ensures holistic development and adherence to the OBE framework.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

IQAC developed the mechanism of calculation of attainment outcomes are as follows,

CO Attainment Levels

To evaluate CO attainment, IQAC has set the three different levels, based on results of Internal Assessment and Semester End Examinations. The three levels in ascending order includes,

Level 1: 40% of students scored more than class average in the Internal Assessment and

Semester End Examinations.

Level 2: 50% of students scored more than class average in the Internal Assessment and

Semester End Examinations.

Level 3: 60% of students scored more than class average in the Internal Assessment and

Semester End Examinations.

Formula

Course Attainment Level = 80% of attainment in the semester end examination +

20% of attainment in the internal examination

PO Attainment Levels

To evaluate the PO attainment, IQAC has set the five different levels, based on the average attainment level of corresponding courses through formative and summative assessment (Direct Method) and Student Progression and Placement Data (Indirect Method).

Formula

PO Attainment Level = 80% (Average attainment level by direct method) +

20% (Average attainment level by indirect method)

IQAC of our institute set to achieve at least Level 4 for all PO attainments, indicates that every department is aiming to achieve very good performance of abilities of students.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, cocurricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Student Representation and Engagement at Dr. Ghali College, Gadhinglaj

Dr. Ghali College, Gadhinglaj, is committed to fostering an inclusive environment by actively engaging students in various administrative, co-curricular, and extracurricular activities. The institution ensures meaningful student representation across multiple committees to enhance their leadership and decision-making skills while promoting a participatory culture.

Students play a vital role in the Internal Quality Assurance Cell (IQAC), contributing to quality enhancement initiatives. Through the National Cadet Corps (NCC) and National Service Scheme (NSS), they engage in activities promoting discipline, patriotism, and social responsibility. The Anti-Ragging Committee ensures a safe and respectful campus atmosphere, with student representatives acting as a bridge between peers and the administration.

The Students' Welfare Committee focuses on addressing student grievances and implementing welfare measures, while the Discipline Committee maintains decorum and fosters a harmonious environment. Additionally, the Sachetana Committee empowers students with awareness about gender equality, legal rights, and social responsibilities.

This inclusive approach not only ensures a student-centric administration but also nurtures essential skills like teamwork, leadership, and social awareness. Dr. Ghali College stands as a model of participatory governance, providing students with opportunities to contribute meaningfully to the institution's growth and community well-being.

Page 45/66 15-01-2025 01:55:31

The institutional strategic and perspective plan of Dr. Ghali College, Gadhinglaj, has been effectively deployed to ensure sustained academic excellence and holistic development. This plan is a comprehensive roadmap designed to align with the institution's vision and mission while addressing evolving educational and societal needs.

As part of this strategic initiative, the college has meticulously prepared its Institutional Information for Quality Assessment (IIQA) and successfully submitted it to the National Assessment and Accreditation Council (NAAC), Bangalore, for the 4th cycle of reaccreditation. The SSR preparation process is started after IIQA accepted by NAAC on 16th April 2024. Self-Study Report (SSR) highlights the college's achievements, best practices, and commitment to quality enhancement in areas such as teaching-learning processes, research, infrastructure, and community engagement.

The strategic plan includes goals for fostering innovation, strengthening faculty development programs, enhancing student support services, and promoting inclusive education. Emphasis is also placed on leveraging technology for academic and administrative efficiency. The deployment of these strategies has been monitored and evaluated through systematic feedback mechanisms and participative management practices.

This submission for the 4th cycle re-accreditation is a testament to Dr. Ghali College's dedication to continuous improvement and institutional excellence. It reflects the commitment of all stakeholders to maintaining high standards and contributing meaningfully to the academic and social landscape.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Page 46/66 15-01-2025 01:55:31

The institute ensures governance and policy determination through statutory committees, including the College Development Committee (CDC) and the Internal Quality Assurance Cell (IQAC). These bodies are responsible for designing the policy framework, which is presented to the governing body for approval. Once approved, the IQAC prepares the academic calendar to facilitate smooth academic operations.

The principal, as the executive head, oversees academic, administrative, and financial decisions, adhering to the policies of Vidya Prasarak Mandal, Shivaji University, the Maharashtra State Government, and the University Grants Commission (UGC). The Office Superintendent leads the administrative office, managing tasks such as student enrollment, admissions, fee collection, scholarships, certificate issuance, payroll maintenance, service records, accounts, and UGC schemes. The support staff operates under the superintendent's guidance.

The institute adheres to standardized appointment procedures and service rules prescribed by the Government of Maharashtra, Shivaji University, and other apex bodies. Reservation policies follow the Maharashtra Educational Institutions (Reservation in Teacher's Cadre) Act, 2021.

Admission policies are managed by the Admission Committee, while the IQAC maintains discipline and ensures respect among all stakeholders through a code of conduct. Academic calendars outline key events for efficient curriculum delivery.

Examinations for first- and second-year undergraduate programs are conducted and evaluated internally, while final-year evaluations are handled by Shivaji University. Continuous internal assessments are supervised by the Examination Committee.

The institute values stakeholder representation, including students, industry, and society, in committees like the CDC, IQAC, NCC, and Alumni Committee.

6.3.5 - Institutions Performance Appraisal System for teaching and non-teaching staff

The college adheres to the guidelines issued by the UGC and Shivaji University, Kolhapur, for assessing teachers' performance, as per the 7th Pay UGC Regulations dated 18th July 2018 and the Government of Maharashtra resolution dated 8th March 2019. To facilitate this process, the college has established a Research and Development (R&D) Cell responsible for managing the appraisal system. The R&D

Cell provides necessary guidance for filling out the performancebased appraisal system (PBAS) forms. It issues notices detailing the distribution of ASAR forms to teaching faculty and sets deadlines for submission along with required documentation.

Teaching staff complete the ASAR forms, have them signed by their respective department heads, and submit them to the R&D Cell. The Cell reviews the submitted forms, ensuring valid documentation is provided. Subsequently, the Principal assesses the ASAR forms, and the scrutiny report is submitted to IQAC for further action to improve performance. The Research Committee also assists faculty members applying for placements through CAS, providing guidance on completing CAS forms. This mechanism has enabled many teachers to secure higher grades.

For non-teaching staff, the college prepares confidential reports annually, which are reviewed by higher authorities. These reports, maintained by the office superintendent, are used for appraising staff performance.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The college generates funds through plan and non-plan grants from the Government of Maharashtra, N.S.S., Student Welfare Fund, examination grants, scholarships, student fees, donations, alumni, and research projects. A budget is prepared for salaries, infrastructure, maintenance, academics, library, gymkhana, laboratory, and miscellaneous expenses, which is approved in the CDC meeting. Funds are maintained in the college bank account, and their timely and proper disbursement is monitored by the Principal and office.

Department heads and committees submit estimates for their requirements to the Principal, which are approved or modified in

consultation with the purchase committee. Purchases under ?25,000 require Principal approval, while amounts exceeding ?25,000 involve quotations reviewed by the purchase committee. The lowest quotation is selected without compromising quality. Vendors are identified through rate contracts for books, sports equipment, stationery, chemicals, instruments, furniture, and IT infrastructure.

Various payment methods, including petty cash, cheques, and online transactions, are managed through specific accounts. Trial balances and audited statements are submitted to the Sanstha audit office. Queries from audit notes are resolved before the next internal audit. Financial audits are conducted as per the Government of Maharashtra norms by the Accounts Officer, senior auditor, and Accountant General, Mumbai.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Optimal Utilization of Resources

The college ensures the optimal utilization of resources through a well-structured budgetary planning process. Budgets are prepared based on the requirements of all departments and are discussed with

the management. The finalized budget is reviewed during the CDC (College Development Committee) meeting, where allocations may be adjusted based on departmental needs. Infrastructure, ICT, and other facilities are periodically updated. The Purchase Committee oversees the budgetary plan details, sanctioning funds while considering financial resources and departmental requirements. The utilization of the sanctioned budget is monitored by the Principal and discussed in the CDC meetings, ensuring resources are efficiently used.

Internal and External Audits

Regular internal and external financial audits are conducted to maintain transparency and accountability. External audits are carried out by K.M. Doshi and Company, Chartered Accountants, Kolhapur. The accountant and Office Superintendent manage the audit process, ensuring all daily transactions, grants, and expenditures are accurately recorded. After the audit, a report is submitted, and any errors are addressed by the Principal, Office Superintendent, and Accountant. The institution follows audit norms set by the Government of Maharashtra, with reviews by the Accounts Officer, Senior Auditor, Joint Director Office, and the Accountant General, Mumbai, ensuring compliance for salary and non-salary grants.
